District 13 Event Report @ PI-CPC

It's sure been a pleasure to serve Lake County AA for almost 3 years now. I've learned much and had fun doing it. As many know its Event Season now and as your Pi – CPC chair, I'm showing a Booth at Community Recovery Events, Bridging the Gap and Annual AA Events, like Unity Day.

The Season began in Mid August at Music in the Park, Lakeport. We, AA, got invited to share a table with Behavioral Health! I call it my Pi ½ Table. Music in the Park was a different experience for me, yet quite fun, actually. I believe this was a first for US. Thank you Lake County Behavioral Health for the opportunity to serve! We moved a few Pamphlets, as well. We did 2 Fridays at the Park. Regular PI-CPC Events began with Tribal Health- Big Clean Time 6.0, in Lakeport.

I want to thank Buckshot, Bill from the Oakies, Lori Lynn and Paul A, from Lakeport Fellowship for all of the great help! Around 250 of us ate free tacos, while enjoying Native American Dancers. It was a wonderful family event. We moved a bunch of Pamphlets, Schedules and Grapevines. The event, on September 7<sup>th</sup>, culminated in a Clean Time Countdown! I noticed very many Newcomers! Recovery Happens happened at Library Park, on September 16<sup>th</sup>. It was a great time for all. We had close to 300 people with lots of Families in Recovery.

Thank you Hector for coming after work to help break down, Behavioral Health, Hilltop Recovery Services, Healthy Start and many more! There was a Banner Walk/ Contest, with Behavioral Health 1<sup>st</sup>, Hilltop Recovery 2<sup>nd</sup> and Tule House got 3<sup>rd</sup>! Thank you Mark at Lakeport Fellowship for access to our gear, tables etc. Thank you to all our Volunteers at the Pi-CPC Booth: Buckshot Bill, Wayne, Solomon, Mike and Jacob. So much outstanding help from the Oakies! Can you imagine getting too much help? Close, but hardly?! It's a rewarding and fulfilling feeling, let me tell you!

Hilltop Recovery served up great hot dogs and we got to enjoy a gambit of Recovery based Speakers as well. At the table, we moved mostly AA and Al-anon Schedules, Grapevines, etc. The hottest Pamphlet is, "Is there an Alcoholic in your Life". We also started a Bridging the Gap Display that people seem to like!

Thank you Lake County AA, Behavioral Health and the Oakies Group for another opportunity to be in service!

Sincerely, Eden N. D-13 PI-CPC
