Committee Reports:

Hotline: Shellie reports moving along. Biggest problem is people forgetting to log on to their shift. All slots are filled. Number of calls range from 0 to 2 or 3 per shift. Paul G. and Tammie G. are available to sub.

WEB: Karl's support is working on setting up Venmo/PayPal option on our site for donations. Karl will be traveling for work soon. He will reach out to Kent so Kent can help keep site up to date. Karl will post a training video to You Tube to help. Karl needs the most current schedule to post and will clean up the links to the old schedules so pdf of schedule is only in one place on home page. Shellie requests that when Kent/Karl get a new pdf that she is sent one too for the Hotline.

District 13: Unity Day went great with 68 people in attendance. Good support all around. There were raffle prizes like flowers and a cutting board. Kudos to Diane for excellent food. The speakers were excellent and included Jo Moore, John O. and our delegate Jennifer. The topic was AA Comes of Age 2.0. It was our delegates 23 time reporting on assembly and agenda topics. Paul is hoping speeches inspired people to get involved in District and Intergroup. District 13 panel is rotating out after two years and needs volunteers. Working on getting the word out for the joy of service and trying to get more of our younger generations involved.
